

*Let them know the way how I adore you*

→ 사람들이 다 알게 해도 좋아, 내가 너를 어떻게 사랑하는지.

*I learned your name by tracing every sound*

*like it might vanish if I spoke too loud*

→ 네 이름을 한 음절씩 더듬어 외웠어, 크게 부르면 사라질까 봐.

*so I loved you quietly,*

*where no one could hear me fall*

→ 아무도 듣지 못하는 곳에서 조용히, 혼자 무너지는 사랑을 했어.

---

*As if you were the reason songs exist, baby*

→ 마치 노래라는 게 너 하나 때문에 존재하는 것처럼.

*Every chord bends when you're near*

*even silence hums your shape*

→ 네가 가까이 오면 모든 화음이 휘어지고, 침묵조차 네 형태로 울려.

*I keep writing endings*

*just to hear you breathe between the lines*

→ 끝나는 문장만 계속 쓰는 건 가사 사이에서 네 숨소리를 듣고 싶어서야.

---

*No rules left when those green eyes find me*

→ 그 초록 눈이 나를 붙잡는 순간, 지켜오던 규칙들은 전부 무너져.

*I forget which parts of me were trained to behave*

*your gaze undoes the careful stitching*

→ 단정하게 살도록 길들여진 내가 어디까지였는지 잊어버려,

네 시선이 나를 꿰매놓은 실밥을 다 풀어버려서.

*suddenly I am not composed—I am honest*

→ 갑자기 나는 차분함을 잃어버리고, 네 앞에서 솔직해져.

---

*Do you still want to break this careful heart?*

→ 그래도 넌 이렇게 조심스럽게 만들어 온 내 마음을 부술 거야?

*I built it gentle, knowing you might touch it*

*left the door half-open on purpose*

→ 언젠가 네가 닿을지도 몰라서 일부러 약하게, 문도 반쯤 열어둔 채로 만들었어.

*if you step inside too fast*

*I might never learn how to leave*

→ 네가 너무 빨리 들어오면 난 다시 나가는 법을 배우지 못할지도 몰라.

---

*Only once you say—just once, for me*

→ 단 한 번만, 날 위해서 말해줄래.

*Say it wrong, say it quiet, say it like a mistake*

→ 틀려도 좋고, 작아도 좋고, 실수처럼 흘러도 괜찮아.

*let it ruin everything I practiced*

→ 내가 연습해온 모든 조심성을 그 말 하나로 망쳐줘.

*because if it's you*

*I don't need this heart intact*

→ 그게 너라면, 이 마음이 온전하지 않아도 괜찮으니까.

*"Only mine," you say—just once, for me*

→ “너는 내 거야”라고, 단 한 번만… 나를 위해 말해줘.
